WESCO Industries provides vocational, residential, and day services to adults and respite services to children who have a diagnosed disability. This disability must hinder them from living and working independently. People or referring agencies should contact WESCO Industries *Deidra Brown, Assistant Director*, at 712-263-6141 if they or someone they represent are interested in becoming an individual served by WESCO. WESCO's programs will be explained to all who inquire and a tour of the facilities will be arranged.
